

■ **MOTORCYCLE INSURANCE**

Presented by A.D. DERN INSURANCE AGENCY, INC.

**You ride a motorcycle for freedom and independence.** Safeco motorcycle insurance is sold by independent agents who provide you the freedom to choose the policy that's right for you. Ride safe knowing that we'll be there if you need us.

**You can qualify for some of these credits and discounts**

One of the great advantages of having your motorcycle coverage through Safeco is that you may save money by having more than one policy with us. Your agent will be able to help calculate how much money you can save. You also may be able to save money on your premiums if your motorcycle is stored in a garage, if you belong to certain rider groups or if you have taken a safe rider course sponsored by the Motorcycle Safety Foundation.

**Chances are we cover what you ride**

Safeco insures a full spectrum of motorcycles from street cycles, Harley Davidson's, cruisers and touring bikes to dirt bikes and ATV's.

**Custom Parts and Equipment**

If you elect custom parts coverage, you will receive up to \$3,000 in coverage without any additional cost to you. Coverage is available for up to \$10,000 in custom parts and equipment.

**Roadside Assistance**

Your Safeco policy provides you with a roadside assistance benefit of up to \$300 per breakdown.

**Liability Coverage**

You can pick the coverage that fits your needs. Safeco offers underlying liability limits high enough to satisfy Personal Umbrella requirements, which means that you may be eligible for this additional coverage. In most states, Guest Passenger liability is included in your liability limits. Check with your agent to determine your specific coverage.

*"A lot of motorcycle owners pay less for coverage because their agent showed them they could save money if their homeowner policy was with Safeco."*
